Program Aide Award

Requirements for Girl Scout Cadettes

1. Complete Program Aide training.
2. Earn one Leader In Action (LiA) Award (in the Journey book) by assisting a Brownie group on one of their Journey activities. (we will complete this at Twilight Camp)
3. Work directly with younger girls over six activity sessions (this requirement can be completed by serving as an Assistant Caddie at Twilight Camp.)

You can also work with your troop leader to earn this award outside of Twilight Camp.

Beyond Camp: Youth Event Assistant

Most girls take Program Aide Training to be a Caddie at Twilight Camp. Program Aide Training also qualifies you to be a Youth Event Assistant (YEA). YEAs help our Girl Scout Council put on events all over the Twin Cities for Daisies, Brownies and Juniors. They assist with events by helping with check-in, assisting with activities, and other tasks. It's a great way to work with younger girls outside of camp.
